

ST. CHARLES
Area
CHAMBER OF COMMERCE

INDUSTRIAL COMMITTEE

Join in helping the Chamber increase its value quotient and service capacity within one of the most viable and dynamic segments of local enterprise – our very own industrial and manufacturing community.

WHAT DO WE DO?

The mission of the Industrial Committee is to develop and strengthen the relationships between industrial/manufacturing companies, government and community entities, educators, vocational training resources, and independent local businesses within St. Charles and Fox Valley area.

WHO SHOULD ATTEND?

Representatives of local industrial/manufacturing concerns, independent service provider professionals, educators, consultants, and other interested members of the Chamber.

WHY SHOULD YOU JOIN?

Gain further knowledge and insight into the current requisites of the St. Charles industrial/manufacturing community and identify relevant business opportunities through participation in committee activities and events.

OUR COMMITTEE GOALS

- Identify opportunities and develop programs aimed to support the business community, manufacturing sector, and educators.
- Assist in promoting professional and vocational opportunities available locally in manufacturing.
- Provide a catalyst for members of the local industrial/ manufacturing community to network, identify topics of mutual interest, and present best practices in manufacturing.
